

Major Activity

Guide M-13, Victory House Barbecue

Summary & Scope

This activity is led and sponsored by the Fourth Degree Assembly but strongly supported by the Council. The objective is to not only provide a barbecue but to interact with the veterans giving them the opportunity for an outlet away from the daily grind of an assisted living environment. You will be rewarded with a smile and a veteran's appreciation.

PLANNING & EXECUTION

Confirm a Committee Chairman early in the Fraternal Year of the Council

In consideration of the weather, the barbecue should take place between late April and mid-June or late September and mid-November.

Contact the Victory House to set the date:
